An awesome team of six INTO QUB employees have signed up to run a variety of places from 5k to half marathon, as a team in the Hillsbrough Castle and Gardens Running Festival, 30th July 2023.

Anne McIvor, Glenn McSpadden, Matthew Deighan, Tsvety Donova Catherine McFadden, and Erin Schreck make up the race team. Running as an INTO team is great to support one another, and everyone working towards a team fundraising target is a great way to increase monies raised! Thank you INTO QUB!

This week, the INTO QUB team (pictured) were happy to host a bake sale to kick-off fundraising efforts!

Leading the team, Erin Shreck, Employability Coordinator INTO QUB says, "INTO QUB are baking the world a better place one bun at a time!"

The team are really looking forward to the day, and if you'd like to sponsor them for their amazing efforts you can do so here on their Just Giving page: www.justgiving.com/page/intoqubraceforeducation

→ Everest Conquered!

Photo: Luke Moscrop VP, Commercial Finance

In his quest to climb the elevation of Everest on his bike, Luke Moscrop, VP, Commercial Finance, set out at 2.40am on a very hot 24th June, He finished 19hrs 26mins later - We are in total awe!

Temperatures were high and his riding buddy had pain from an injury but, true to their friendship, they stuck together, with loads of support along the way. They achieved what most might consider the unachievable and, with that, have raised over £2,000 (\$2,500 USD) for schoolgirls' education. Luke said of the ride 'A wonderful adventure, but never again. Thanks to all for your donations and support!' We say, never say never...

→ Incredible Interns

Our student Interns have all arrived in Brighton (with the INTO Giving Team) and in London & San Francisco with Room to Read, one of INTO Giving's Partner organisations.

Whether it be Marketing, Communications, PR, student engagement, or Business Development, these talented INTO students will be learning so much, whilst also bringing their own ideas and experience to the table - An invaluable experience for both the INTO students & both organisations!

This May & June INTO Giving offered to top up all iGive fundraisers by 25% throughout May & June*. It was a huge success - Thank you to everyone who took part!

*Normally 20%

iGive fundraising colleagues raised more than £2,500 (\$3,100 USD) for causes including the Alzheimer's Society, Bowel Cancer UK, Dementia UK, and Manchester-based cancer charity The Christie.

For any Employee Action Groups looking for immediate actions, running an iGive is a great way to get started!
